

TO ANY FAMILY OR FRIENDS
WHO FIND THIS BOOK LYING AROUND

So I bet you must be wondering what this kind of book is doing here? Well,

☞ The owner of this book has put a check in the box to mark the appropriate explanation.

- () Yes, I hereby admit that I adore boy-on-boy manga and have bought this book by my own free will. Yeah baby, gay love rocks!
- () I have a slightly odd friend, who forced this book upon me. It's a little disturbing, really.
- () Obviously I only left it lying around as a prank, just so I could see the look on your face! Did I getcha?
- () I started hearing these little voices in my head, and the next thing I knew I was standing in the bookshop with this book in my hand. I'd already paid for it, too. Wah, I'm scared!

I hope the above has explained everything you need to know. Now that you're enlightened, please place the book gently back in its place, turn around, and slowly walk away.

- ii If possible, please don't mention the fact that you've found this book is rare.
- iii For the record, it's highly unlikely that the author or publishing company have anything to do with the owner of the book. So don't try to sue.
